Sangboka

La hyllingsrop lyde for Gud, hele jorden, og syng om hans herlige navn!

Salme 66.1 - 2a

Bibelen forteller oss om mange sangere, fra Moses via Debora og Barak til David. Jesus sang med sine disipler. Sang kan fylle mange funksjoner: den kan være en oppmuntring, som når vi synger sammen i fellesskapet, den kan bevege våre hjerter, den kan trøste eller oppmuntre oss, eller den kan minne oss om historier eller sannheter fra Bibelen. Først og fremst er den en del av vår vandring med Gud, der vi kan ære han, og samtidig komme nærmere ham følelsesmessig.

Håpet er at denne boken vil inspirere deg i din vandring med Gud. Gled deg over sangen når vi møtes og synger sammen, og bruk den gjerne også til å synge når du er alene. Syng for Gud med hjertet.

10,000 Reasons

'Praise the Lord, my soul; all my inmost being, praise his holy name. Praise the Lord, my soul, and forget not all his benefits – who forgives all your sins and heals all your diseases, who redeems your life from the pit and crowns you with love and compassion, who satisfies your desires with good things so that your youth is renewed like the eagle's.' (NIV)

Psalm 103.1 - 5

[Chorus]

Bless the Lord, O my soul
O my soul
Worship His holy name
Sing like never before
O my soul
I'll worship Your holy name

[Verse 1]

The sun comes up, it's a new day dawning
It's time to sing Your song again
Whatever may pass,
and whatever lies before me
Let me be singing when the evening comes

[Chorus]

Bless the Lord, O my soul
O my soul
Worship His holy name
Sing like never before
O my soul
I'll worship Your holy name

[Verse 2]

You're rich in love, and You're slow to anger
Your name is great, and Your heart is kind
For all Your goodness I will keep on singing
Ten thousand reasons for my heart to find

[Chorus]

Bless the Lord, O my soul

O my soul

Worship His holy name

Sing like never before

O my soul

I'll worship Your holy name

[Verse 3]

And on that day when my strength is failing

The end draws near and my time has come

Still my soul will sing Your praise unending

Ten thousand years and then forevermore

[Chorus]

Bless the Lord, O my soul

O my soul

Worship His holy name

Sing like never before

O my soul

I'll worship Your holy name

(x2)

[Outro]

I'll worship Your holy name

Lord, I'll worship Your holy name

Sing like never before

O my soul

I'll worship Your holy name

I'll worship Your holy name

I'll worship Your holy name

A Better Life

One hope, one love, one faith, one life

You will see a light shine in the darkness
Bringing hope to people in despair
with a love that gets through every defence
He will reign His kingdom
and rejoice over all his children}{.verse}

One hope that lasts forever,
one love that never fails
One faith that he 's the Savior
Giving life and never ending grace
(x2)

When your life 's a pain and you must suffer
And you may be tempted to give in
Just remember him who walks before you
You 'll be tied together even closer,
so reach for heaven

One hope that lasts forever,
one love that never fails
One faith that he 's the Savior
Giving life and never ending grace
(x2)

One hope, one love, one faith, one life

A mighty fortress

A mighty fortress is our God,
a bulwark never failing;
our helper he amid the flood
of mortal ills prevailing.
For still our ancient foe
doth seek to work us woe;
his craft and power are great,
and armed with cruel hate,
on earth is not his equal.

Did we in our own strength confide,
our striving would be losing,
were not the right man on our side,
the man of God's own choosing.
Dost ask who that may be?
Christ Jesus, it is he;
Lord Sabaoth, his name,
from age to age the same,
and he must win the battle.

And though this world, with devils filled,
should threaten to undo us,
we will not fear, for God hath willed
his truth to triumph through us.
The Prince of Darkness grim,
we tremble not for him;
his rage we can endure,
for lo, his doom is sure;
one little word shall fell him.

That word above all earthly powers,
no thanks to them, abideth;
the Spirit and the gifts are ours,
thru him who with us sideth.
Let goods and kindred go,
this mortal life also;

the body they may kill;
God's truth abideth still;
his kingdom is forever.

Abide With Me

[Verse 1]

Abide with me; fast falls the eventide;
The darkness deepens; Lord, with me abide;
When other helpers fail and comforts flee,
Help of the helpless, oh, abide with me.

[Verse 2]

Swift to its close ebbs out life's little day;
Earth's joys grow dim, its glories pass away;
Change and decay in all around I see—
O Thou who changest not, abide with me.

[Verse 3]

I need Thy presence every passing hour;
What but Thy grace can foil the tempter's pow'r?
Who, like Thyself, my guide and stay can be?
Through cloud and sunshine, Lord, abide with me.

[Verse 4]

I fear no foe, with Thee at hand to bless;
Ills have no weight, and tears no bitterness;
Where is death's sting? Where, grave, thy victory?
I triumph still, if Thou abide with me.

[Verse 5]

Hold Thou Thy cross before my closing eyes;
Shine through the gloom and point me to the skies;
Heav'n's morning breaks, and earth's vain shadows flee;
In life, in death, O Lord, abide with me.

Above All

Above all powers, above all kings
Above all nature and all created things
Above all wisdom and all the ways of man
You were here, before the world began

Above all kingdoms, above all thrones
Above all wonders the world has ever known
Above all wealth and treasures of the earth
There's no way to measure what you're worth

Chorus:

Crucified, laid behind a stone
You lived to die, rejected and alone
Like a rose, trampled on the ground
You took the fall and thought of me, above all.

Ain't No Rock

Ain't no rock gonna cry in my place
As long as I'm alive I'll glorify His holy name
Ain't no rock gonna cry in my place
As long as I'm alive I'll glorify His holy name

Chorus:

Praise His holy name!
As long as I'm alive I'll glorify His holy name!
Praise His holy name!
As long as I'm alive I'll glorify His holy name!

Ain't no tree gonna lift its branches
I lift my hands to glorify His holy name
Ain't no tree gonna lift its branches
I lift my hands to glorify His holy name

Chorus:

Praise His holy name!
As long as I'm alive I'll glorify His holy name!
Praise His holy name!
As long as I'm alive I'll glorify His holy name!

Ain't no bird gonna sing in my place
I lift my voice to glorify His holy name
Ain't no bird gonna sing in my place
I lift my voice to glorify His holy name

Chorus:

Praise His holy name!
As long as I'm alive I'll glorify His holy name!
Praise His holy name!
As long as I'm alive I'll glorify His holy name!

All heaven declares

All heav'n declares the glory of the risen Lord
Who can compare with the beauty of the Lord

Chorus

Forever he will be, the Lamb upon the throne
I gladly bow the knee and worship him alone

I will proclaim the glory of the risen Lord
Who once was slain, to reconcile man to God

Chorus

Forever he will be, the Lamb upon the throne
I gladly bow the knee and worship him alone

All night All day

Choir:

All night, all day
angels watchin' over me my Lord
All night, all day
angels watchin' over me

When I lay me down to sleep
Angels watchin' over me my Lord
Pray the Lord my soul to keep
Angels watchin' over me

Choir:

All night, all day angels watchin' over me my Lord
All night, all day
angels watchin' over me

If I die before I wake
Angels watchin' over me my Lord
Pray the Lord my soul to take
Angels watchin' over me

Choir:

All night, all day angels
watchin' over me my Lord
All night, all day angels
watchin' over me

If I live another day
Angels watchin' over me my Lord
Pray the Lord to guard my way
Angels watching over me

All the earth

Father, into your courts I will enter,
maker of heaven and earth,
I tremble in your holy presence
Glory, glory in your sanctuary,
splendour and majesty, Lord,
before you; all life adores you

All the earth will declare
that your love is ev'rywhere
The fields will exalt, seas resound
Hear the trees' joyful cry,
praising you and so will I
A new song I'll sing, Lord,
I will glorify and bless your holy name

Jesus, Lord of all life and salvation,
into your presence we come,
we worship you, our precious saviour
Fill us, fill us with your holy power,
set us aflame with your love,
till nations all know your glory

All the earth will declare
that your love is ev'rywhere
The fields will exalt, seas resound
Hear the trees' joyful cry,
praising you and so will I
A new song I'll sing, Lord,
I will glorify and bless your holy name

All to Jesus I surrender

All to Jesus I surrender,
All to Him I freely give;
I will ever love and trust Him,
In His presence daily live.

Choir:

I surrender all,
I surrender all.
All to Thee, my blessed Savior,
I surrender all.

All to Jesus I surrender,
Humbly at His feet I bow,
Worldly pleasures all forsaken;
Take me, Jesus, take me now.

All to Jesus I surrender,
Make me, Savior, wholly Thine;
Let me feel Thy Holy Spirit,
Truly know that Thou art mine.

All to Jesus I surrender,
Lord, I give myself to Thee;
Fill me with Thy love and power,
Let Thy blessing fall on me.

All to Jesus I surrender,
Now I feel the sacred flame.
Oh, the joy of full salvation!
Glory, glory to His name!

Amazing grace

Amazing grace, how sweet the sound,
that saved a wretch like me.
I once was lost, but now I'm found,
was blind but now I see.

'Twas grace that taught my heart to fear,
and grace my fears relieved.
How precious did that grace appear,
the hour I first believed.

Through many dangers, toils and snares,
I have already come.
This grace has brought me safe this far,
and grace will lead me home.

When we've been there ten thousand years,
bright shining as the sun,
we've no less days, to sing God's praise,
than when we first begun.

Anchor for the soul

Chorus

Anchor for the soul
Shelter from the storm
Thunder and the lightning
Can be very fright'ning
But God is in control
Anchor for the soul
Shelter from the storm
Manna in the morning
Blessings overflowing
Leading us to home

This world's not my home
Just a-passing through
Through this life I wander
Treasure stored up yonder
Somewhere beyond the blue
On my way I learn
Through each path I take
Every day I'm growing
On my way I'm knowing
Heaven's worth the wait

Chorus

Anchor for the soul
Shelter from the storm
Thunder and the lightning
Can be very fright'ning
But God is in control
Anchor for the soul
Shelter from the storm
Manna in the morning
Blessings overflowing
Leading us to home

When the day is gone
When my journey ends
Won't be nothing better
Then to be together
With all my faithful friends
We'll all join in song
Gathered 'round the throne
There'll be no more sorrow
Someday when tomorrow
Heaven is our home

Chorus

Anchor for the soul
Shelter from the storm
Thunder and the lightning
Can be very fright'ning
But God is in control
Anchor for the soul
Shelter from the storm
Manna in the morning
Blessings overflowing
Leading us to home

Ancient Words

Holy words long preserved
for our walk in this world,
they resound with God's own heart
Oh, let the ancient words impart

Words of life, words of hope,
give us strength, help us cope
In this world where'er we roam,
ancient words will guide us home

Chorus:
Ancient words, ever true,
changing me and changing you
We have come with open hearts
O, let the ancient words impart

Holy words of our faith
handed down to this age,
came to us through sacrifice
O, heed the faithful words of Christ

Holy words long preserved
for our walk in this world,
they resound with God's own heart
Oh, let the ancient words impart

Chorus:
Ancient words, ever true,
changing me and changing you
We have come with open hearts
Oh, let the ancient words impart

Be Still My Soul

Be still my soul, the Lord is on thy side;
Bear patiently the cross of grief or pain.
Leave to thy God to order and provide;
In ev'ry change, He faithful will remain.
Be still my soul, thy best, thy heavenly friend
Through thorny ways leads to a joyful end.

Be still, my soul When dearest friends depart And all is darkened in the vale of tears Then
shalt thou better know His Love, His heart Who comes to soothe thy sorrows and thy fears

Be still my soul, the hour hastening on
When we shall be forever with the Lord.
When disappointment, grief, and fear are gone;
Sorrow forgot, love's purest joy restored.
Be still my soul, when change and tears are past,
All safe and blessed, we shall meet at last.

Be With Me Lord

Sometimes I feel
That I could fight an army
With just me and you,
And there's no one could harm me.
O, but sometimes I
Can feel a little shy.
It's then I need to know
That you are there, that's why I'm singing

Chorus:

Be with me Lord (when I'm down)
Be with me Lord (when I'm lonely)
Be with me Lord (when I'm tired)
be with me, be with me
Be with me Lord (I need you only)
Be with me Lord (when I'm down)
Be with me Lord (when I'm lonely)
Be with me Lord (when I need you, Lord)
Be my only God.

I know you said
That I would not be tested
More than I could bear
And that you'd have my best in mind.
With everything
That ever comes my way,
I know you're in control
So hear me as I pray. I'm singing.

Chorus:

Be with me Lord (when I'm down)
Be with me Lord (when I'm lonely)
Be with me Lord (when I'm tired)
be with me, be with me, be with me
Be with me Lord (I need you only)
Be with me Lord (when I'm down)

Be with me Lord (when I'm lonely)
Be with me Lord (when I need you, Lord)
Be my only God.

Now help me, Lord
To share what I've been given.
Help me make a difference
With this life I'm living.
As I show my neighbor
Where true treasure's stored,
Help me know you promised
You'd be with me Lord. I'm singing.

Chorus:

Be with me Lord (when I'm down)
Be with me Lord (when I'm lonely)
Be with me Lord (when I'm tired)
Be with me Lord (I need you only)
Be with me Lord (when I'm down)
Be with me Lord (when I'm lonely)
Be with me Lord (when I need you, Lord)
Be my only God.

Beautiful heart

There is no shadow of turning in You,
no rebellion or pride
You don't know greed or envy or strife;
Your intentions are pure and holy

Delighting to do the Father's will,
You don't have a thought against Him
But humbly You live in perfect restraint,
waiting for promises given

Jesus, You have a beautiful heart
(x2)

You're gentle, You're meek,
yet Your heart is strong
Jesus, Your gladness is contagious
You are not selfish, You can't compromise;
You are the truth, You can't lie

You don't hold a grudge or have a cynical eye;
bitterness has no part of You
But You're quick to forgive,
let me back in again;
Your kindness is so liberating

Jesus, You have a beautiful heart
(x2)

Breathe

This is the air I breathe
This is the air I breathe
Your holy presence living in me

This is my daily bread
This is my daily bread
Your very word spoken to me

And I... I'm desperate for you
And I... I'm lost without you

(Usually repeats)

Call Upon The Lord

One day every knee will bow
Still the greatest treasure remains for
those who gladly choose you now

Come, now is the time to worship
Come, now is the time to give your heart

Come, just as you are before your God.

Follow That Man!

Jesus was the name
of a special man
Nothing's been the same
since I became his fan

Chorus:

||: He's got the whole universe
under his command
follow that man, follow that man! : ||

He went down to the sea
some fishermen were there
He asked them; "Come with me!"
They joined him everywhere

Chorus:

||: He's got the whole universe
under his command
follow that man, follow that man! : ||

He showed them what is right,
and taught them what is true,
was God in all his might,
and man like me and you

Chorus:

||: He's got the whole universe
under his command
follow that man, follow that man! : ||

He paid an awful price,
they nailed him to a cross
Now he's in paradise,
waiting there for us

Chorus:

||: He's got the whole universe

under his command
follow that man, follow that man! : | |

Give Me Life

Give me water never drying, I am asking you
Many times I have been trying
but never coming through
If You give me living water will I be fulfilled?
Can my life get back to order
and my soul be still?

Promises that lift my mind, you are telling me
Everything I ever longed for, you want me to see

Chorus :

Give me life that never ends,
let me live forever
Eternal life is in Your hands,
let me drink that water
Give me life that never ends
where you'll go I follow
Eternal life is in your hands
longing for tomorrow – with You

Give thanks to the Lord

Glory be to Jesus

Glory be to Jesus,
who in bitter pains
poured for me the life blood
from his sacred veins!

Grace and life eternal
in that blood I find,
blest be his compassion
infinitely kind!

Abel's blood for vengeance
pleaded to the skies;
but the blood of Jesus
for our pardon cries.

Oft as it is sprinkled
on our guilty hearts,
Satan in confusion
terror-struck departs;

Lift ye then your voices;
swell the mighty flood;
louder still and louder
praise the precious blood.

Glory Glory Hallelujah

Glory, glory, hallelujah
since I lay my burdens down (way on down)

Glory, glory, hallelujah
since I lay my burdens down (way on down)

I don't walk the walk that I used to...

I don't talk the talk that I used to...

I don't treat my friends like I used to...

Friends don't treat me like they used to...

I sing new songs for my Father...

I'm so happy, oh, so happy

Good and gracious king

I approach the throne of glory
Nothing in my hands I bring
But the promise of acceptance
From a good and gracious King

I will give to You my burden
As You give to me Your strength
Come and fill me with Your Spirit
As I sing to You this praise

You deserve the greater glory,
and overcome, I lift my voice
To the King in need of nothing,
empty handed I rejoice
You deserve the greater glory,
and overcome with joy I sing
By Your love, I am accepted,
You're a good and gracious King

O what grace that You would see me
As Your child and as Your friend
Safe, secure in You forever
I pour out my praise again

You deserve the greater glory,
and overcome, I lift my voice
To the King in need of nothing,
empty handed I rejoice
You deserve the greater glory,
and overcome with joy I sing
By Your love, I am accepted,
You're a good and gracious King

(Interlude)

Holy, holy, Lord Almighty
Good and gracious, good and gracious

Holy, holy, Lord Almighty
Good and gracious King

Holy, holy, Lord Almighty
Good and gracious, good and gracious
Holy, holy, Lord Almighty
Good and gracious King

You deserve the greater glory,
and overcome, I lift my voice
To the King in need of nothing,
empty handed I rejoice
You deserve the greater glory,
and overcome with joy I sing
By Your love, I am accepted,
You're a good and gracious King

You're a good and gracious King
You're a good and gracious King

Good good father

Oh, I've heard a thousand stories of what they think you're like
But I've heard the tender whisper of love in the dead of night
And you tell me that you're pleased
And that I'm never alone

You're a Good, Good Father
It's who you are, it's who you are, it's who you are
And I'm loved by you
It's who I am, it's who I am, it's who I am

Oh, and I've seen many searching for answers far and wide
But I know we're all searching
For answers only you provide
'Cause you know just what we need
Before we say a word

You're a Good, Good Father
It's who you are, it's who you are, it's who you are
And I'm loved by you
It's who I am, it's who I am, it's who I am

'Cause you are perfect in all of your ways
You are perfect in all of your ways
You are perfect in all of your ways to us

You are perfect in all of your ways
You are perfect in all of your ways
You are perfect in all of your ways to us

Oh, it's love so undeniable
I, I can hardly speak
Peace so unexplainable
I, I can hardly think

As you call me deeper still
As you call me deeper still
As you call me deeper still
Into love, love, love

You're a Good, Good Father
It's who you are, it's who you are, it's who you are
And I'm loved by you
It's who I am, it's who I am, it's who I am

You're a Good, Good Father
It's who you are, it's who you are, it's who you are
And I'm loved by you
It's who I am, it's who I am, it's who I am

You're a Good, Good Father
It's who you are, it's who you are, it's who you are
And I'm loved by you
It's who I am, it's who I am, it's who I am

You're a Good, Good Father
(You are perfect in all of your ways)
It's who you are, it's who you are, it's who you are
And I'm loved by you
(You are perfect in all of your ways)
It's who I am, it's who I am it's who I am

Goodness of God

I love You, Lord
For Your mercy never fails me
All my days, I've been held in Your hands
From the moment that I wake up
Until I lay my head
Oh, I will sing of the goodness of God

And all my life You have been faithful
And all my life You have been so, so good
With every breath that I am able
Oh, I will sing of the goodness of God

I love Your voice
You have led me through the fire
In the darkest night
You are close like no other
I've known You as a Father
I've known You as a Friend
And I have lived in the goodness of God

And all my life You have been faithful
And all my life You have been so, so good
With every breath that I am able
Oh, I will sing of the goodness of God

Your goodness is running after
It's running after me
Your goodness is running after
It's running after me
With my life laid down
I'm surrendered now
I give You everything
'Cause Your goodness is running after
It's running after me (oh-oh)

'Cause Your goodness is running after
It's running after me

Your goodness is running after
It's running after me
With my life laid down
I'm surrendered now
I give You everything
'Cause Your goodness is running after
It keeps running after me

And all my life You have been faithful
And all my life You have been so, so good
With every breath that I am able
Oh, I'm gonna sing of the goodness of God
(I'm gonna sing, I'm gonna sing)

'Cause all my life You have been faithful
And all my life You have been so, so good
With every breath that I am able
Oh, I'm gonna sing of the goodness of God
Oh, I'm gonna sing of the goodness of God

Grace

I was lost when you found me here
You pulled me close and held me near
And I'm a fool but still you love
I'll be a fool for the king of love

He gave me wings so I could fly
And gave me a song to color the sky
And all I have is all from you
And all I want is all of you

Your grace, your grace
I'm nothing without you
Your grace, your grace
Shines on me

There've been days when I've walked away
Too much to carry
Nothing left to say
Forgive me Lord when I'm weak and lost
You traded heaven for a wooden cross

And all these years you've carried me
You've been my eyes when I could not see
And beauty grows in the driving rain
Your oil of gladness in the times of pain

Your grace, your grace
I'm nothing without you
Your grace, your grace
Shines on me

Great In Power

Praise Him, you heavens and all that's above
Praise Him, you angels and heavenly hosts
Let the whole earth praise Him

Praise Him, the sun, moon and bright shining stars
Praise Him, you heavens and waters and skies
Let the whole earth praise Him

Great in power, great in glory
Great in mercy, King of Heaven

Great in battle, great in wonder
Great in Zion, King over all the earth

Hallelujah (We sing your praises loud)

Lord, we sing your praises loud,
Sing them to the stumbling crowd,
Sing of Jesus and His word,
Sing until the earth has heard.

Chorus :

Hallelujah :/

Sing of crosses and His blood,
Earthquakes, darkness and the flood.
Sing of judgment, sing of grace,
Sing until we see His face.

Chorus :

Hallelujah :/

God is why we live and sing,
We the servants, He the king.
All His power, all His life,
Living in the church, His wife.

Chorus :

Hallelujah :/

God is justice, God is love.
God is reigning from above.
God is sovereign o'er the land.
Nations bow at His command.

Chorus :

Hallelujah :/

Life is but a passing glance,
Seek Him while you have the chance.
We are made of naught but clay,
Til we're changed on that great day.

Chorus :

Hallelujah :/

Hallelujah

Hallelujah, my Father
For giving us your Son
Sending Him into the world
To be given up for men
Knowing we would bruise Him
And smite Him from the earth

Hallelujah, my Father
In His death is my birth
Hallelujah, my Father
In his life is my life

Hallelujah, my Jesus,
for dying on a tree
Through sad tears you're looking down,
And I know that you see me
Trying to live my way
And not the way you would

Hallelujah, my Jesus
In Your death is my birth
Hallelujah, my Jesus
In your life is my life
Hallelujah, Great Spirit
for living in my heart

I know now that Your word is true
From You I will not depart
Sift me, and convict me
I'll teach You to the world

Hallelujah, my Father
In His death is my birth
Hallelujah, my Father
In His life is my life

Heart, Mind And Soul

One heart, mind and soul,
and our unity will show that
He is Lord

One heart, to be united,
One heart, in everything
One heart, to stay enlightened,
One heart, and away from sin
One heart, that is forgiven,
One heart, and knows the truth
One heart, where the spirit 's living
One heart, with a strenght of youth

One heart, mind and soul,
we will always stand together
One heart, mind and soul,
and our unity will show that
One heart, mind and soul,
we will always stand together
One heart, mind and soul,
and our unity will show that
He is Lord

One mind, made up for Jesus
One mind, we won 't be fooled
One mind, His word will lead us
One mind, yes, the Bible rules
One mind, who shares the same dream
One mind, that Jesus lived

One soul, when down and low
One soul, we pray for power
One soul, to be restored
One soul, we love each other
One soul, to keep us strong
One soul, my sister and brother
One soul, in heaven we belong

One heart, mind and soul,
we will always stand together

One heart, mind and soul,
we will always stand together
One heart, mind and soul,
and our unity will show that
He is Lord

Heart of worship

When the music fades
All is stripped away
And I simply come

Longing just to bring
Something that's of worth
That will bless Your heart

I'll bring You more than a song
For a song in itself
Is not what You have required

You search much deeper within
Through the way things appear
You're looking into my heart

Chorus I'm coming back to the heart of worship
And it's all about You
It's all about You, Jesus
I'm sorry, Lord, for the thing I've made
When it's all about You
It's all about You, Jesus

King of endless worth
No one could express
How much You deserve

Though I'm weak and poor
All I have is Yours
Every single breath

I'll bring You more than a song
For a song in itself
Is not what You have required

You search much deeper within
Through the way things appear
You're looking into my heart

Chorus I'm coming back to the heart of worship
And it's all about You
It's all about You, Jesus
I'm sorry, Lord, for the thing I've made
And it's all about You
It's all about You, Jesus (x2)

All about you

I'll bring You more than a song More than a song (x2)

You're looking into my heart Into my heart (X2)

I'll bring You more than a song (repeat)

Here I am to worship

Light of the world,
You step down into darkness
Open my eyes let me see
Beauty that made this heart adore you
Hope of a life spent with you

Here I am to worship
Here I am to bow down
Here I am to say that you're my God
You're altogether lovely
Altogether worthy
Altogether wonderful to me, my love

King of all days
So highly exalted
Glorious in heaven above
Humbly you came to the earth you created
All for love's sake became poor

So, here I am to worship
Here I am to bow down
Here I am to say that you're my God
You're altogether lovely
Altogether worthy
Altogether wonderful to me

I'll never know how much it cost
To see my sin upon that cross
And I'll never know how much it cost
To see my sin upon that cross

I'll never know how much it cost
To see my sin upon that cross
I'll never know how much it cost
To see my sin upon that cross

Here I am to worship
Here I am to bow down

Here I am to say that you're my God
You're altogether lovely
Altogether worthy
Altogether wonderful to me

So, here I am to worship
Here I am to bow down
Here I am to say that you're my God
You're altogether lovely
Altogether worthy
Altogether wonderful to me

He's Exalted

He is exalted the King is exalted on High
I will praise You
He is exalted forever exalted
And I will praise His name

Chorus

He is the Lord
Forever His truth shall reign
Heaven and Earth
Rejoice in His holy name
He is exalted the King is exalted on high

He is exalted the King is exalted on High
I will praise Him
He is exalted forever exalted
And I will praise His name

High Above

Before a word was on my lips
You knew my mind's full intention
Before a thought came to my mind
You could read it completely, from afar

I took the wings of the red morning sun
But you found me, at the end of the ocean
I tried to hide in the darkest night
But darkness turned to light, you shone all around me

Chorus

High above the clouds
Where skies are blue
My soul, my mind, my spirit will be home
High above the clouds
I'll be with you
My soul, my mind, my spirit will be home
With you, always...

When I was high, when I was low
You were there, you could reach me
When I was made, in the secret place
I was hidden from all, but from your eyes
All the days you ordained for me
Were set down, long before, they came to be
Search my ways Lord, and guard my heart
Lead me in your way, the way everlasting

What can I do, what can I say
It's too wonderful to me
You brought me in, you knew my ways
Laid your hand all upon me, made me safe
All the days you ordained for me
Were set down long before, they came to be
Search my ways Lord and guard my heart
Lead me in your way, the way everlasting

How great is Our God

The splendor of a King
Clothed in majesty
Let all the earth rejoice
All the earth rejoice

He wraps Himself in light
And darkness tries to hide
And trembles at His voice
Trembles at His voice

How great is our God
Sing with me
How great is our God
And all will see
How great, how great is our God

Age to age He stands
And time is in His hands
Beginning and the end
Beginning and the end

The Godhead Three in One
Father, Spirit, Son
The Lion and the Lamb
The Lion and the Lamb

How great is our God
Sing with me
How great is our God
And all will see
How great, how great is our God

Name above all names
Worthy of our praise
My heart will sing
How great is our God

Name above all names
You are worthy of our praise
And my heart will sing
How great is our God

How great is our God
Sing with me
How great is our God
And all will see
How great, how great is our God

How great is our God
Sing with me
How great is our God
And all will see
How great, how great is our God

How great is our God
Sing with me
How great is our God
And all will see
How great, how great is our God

Humble Thyself

Humble thyself in the sight of the Lord :/
And he will lift you up: /

Amazing grace how sweet the sound
That saved a wretch like me

I once was lost but now I'm found
Was blind but now I see

When we've been there ten thousand years
Bright shining as the sun

We've no less days to sing God's praise
Than when we first begun

Humble thyself in the sight of the Lord
And he will lift you up

I can only imagine

I can only imagine, What it will be like
When I walk, By Your side

When Your face, Is before me
I can only imagine, I can only imagine

Surrounded by Your glory,
what will my heart feel
Will I dance for You Jesus
or in awe of you be still
Will I stand in Your presence

Will I sing hallelujah,
will I be able to speak at all
I can only imagine, I can only imagine

I can only imagine, When that day comes
And I find myself, Standing in the sun

Is forever, Forever worship You

Chorus:

II: I hear God singing to me :II

I hear God singing and rejoicing
and I love my Father's song
I hear God singing and He's saying
everyone should sing along
Righteous singing scares the devil,
so let's shout our anthems loud!
A soldier's choir in holy concert;
voices lifted, faces bowed.

Chorus:

II: I hear God singing to me :II

Gather us and start a movement,
scatter us, we scatter seeds;
Planting Christ in every nation,
as our great crusade succeeds.
Criticize us we grow stronger,
kill us and for sure we win;
for our battle isn't earthly
and our souls will never end.

Chorus:

II: I hear God singing to me :II

Chorus:

II: I hear God singing to me :II

I need your love

O I need your love
In this shadowed place
I can't get enough
Of your sunlight on my face.

When it's cold and dark
Or I'm far from home
You are in my heart
And I never walk alone.

And just like a tree
Planted by a stream,
Thirsty for a drink
Of your love,
I can't face a day
Without some time to pray
I sing this song to say
I need your love.

I'm a tiny child
But when I'm with you
I will not grow tired
'Cause there's nothing you can't do.
Your love makes me strong
Though I'm small and weak,
And the whole day long
You'll speak through me when I speak.

And just like a tree
Planted by a stream,
Thirsty for a drink
Of your love,
I can't face a day
Without some time to pray
I sing this song to say
I need your love.

You gave all for me
Though I cursed your name
On that bitter tree,
Lord, You suffered for my shame.
How can I thank you?
Your love paid my way.
All that I can do
Is live for You every day.

And just like a tree
Planted by a stream,
Thirsty for a drink
Of your love,
I can't face a day
Without some time to pray
I sing this song to say
I need your love.

I surrender all

All to Jesus I surrender,
All to Him I freely give;
I will ever love and trust Him,
In His presence daily live.

Chorus:

I surrender all, I surrender all.
All to Thee, my blessed Savior,
I surrender all.

All to Jesus I surrender,
Humbly at His feet I bow,
Worldly pleasures all forsaken;
Take me, Jesus, take me now.

All to Jesus I surrender,
Make me, Savior, wholly Thine;
Let me feel Thy Holy Spirit,
Truly know that Thou art mine.

All to Jesus I surrender,
Lord, I give myself to Thee;
Fill me with Thy love and power,
Let Thy blessing fall on me.

All to Jesus I surrender,
Now I feel the sacred flame.
Oh, the joy of full salvation!
Glory, glory to His name!

I want to know your peace

Thinking of all the mistakes I've been making,
promises I have been breaking,
humility I have been faking,
God, I need some help
Hoping that I can let go of delaying,
bow down my head and start praying,
listen to what you are saying,
God, I need some help

Lord, please listen to my cry
I don't know how to get by
Can't you see I'm on my knees?
I want to know your peace
Make me stronger, make me new
Nothing changes without you
Put my troubled soul at ease
I want to know your peace

Choosing to think that my friends are accusing,
I live in fear, I am losing.
Things are a little confusing,
God, I need some help
Can you help me to be like the man you
sent to help us understand you?
Give me a heart that is brand new
God, I need some help

Lord, please listen to my cry
I don't know how to get by
Can't you see I'm on my knees?
I want to know your peace
Make me stronger, make me new
Nothing changes without you
Put my troubled soul at ease
I want to know your peace

Father, I am down, I'm a fool, I'm a clown
I can feel Satan's breath in my face
When I am sad, when I'm broken and bad,
what I need is to rest in your grace

Lord, please listen to my cry
I don't know how to get by
Can't you see I'm on my knees?
I want to know your peace
Make me stronger, make me new
Nothing changes without you
Put my troubled soul at ease
I want to know your peace

I will call upon the lord

Men: I will call upon the Lord (Women repeat)

Men: Who is worthy to be praised

Men: So shall I be saved from my enemies

Chorus :

The Lord liveth, and blessed be the Rock

And let the God of my salvation be exalted :/

Men: Jesus Christ He died for me

Men: And He took away my sin

Men: I will live with Him for eternity

I will celebrate

I will celebrate, Sing unto the Lord
I will sing to Him, A new song :/

I will praise Him
For He has triumphed victoriously :/

I'm Not Ashamed

When You found me
My whole world changed
I'm redeemed by Your life

Let the earth see
You are freedom
Turned my darkness to light

Bridge:

You welcomed me in with open arms
Into unending life

Chorus:

I'm not ashamed of the gospel Lord
Your power, Your love that saved my soul
Now I'm alive in You
I live in the risen Son

In Christ alone

In Christ alone my hope is found
He is my light, my strength, my song
This cornerstone, this solid ground
Firm through the fiercest drought and storm
What heights of love, what depths of peace
When fears are stilled, when strivings cease
My Comforter, my All in All
Here in the love of Christ I stand

In Christ alone, who took on flesh
Fullness of God in helpless babe
This gift of love and righteousness
Scorned by the ones He came to save
'Till on that cross as Jesus died
The wrath of God was satisfied
For every sin on Him was laid
Here in the death of Christ I live

(interlude)

There in the ground His body lay
Light of the world by darkness slain
Then bursting forth in glorious Day
Up from the grave He rose again
And as He stands in victory
Sin's curse has lost its grip on me
For I am His and He is mine
Bought with the precious blood of Christ

No guilt in life, no fear in death
This is the power of Christ in me
From life's first cry to final breath
Jesus commands my destiny
No power of hell, no scheme of man
Can ever pluck me from His hand
'Till He returns or calls me home
Here in the power of Christ I'll stand

In the river

There is a river where goodness flows
There is a fountain that drowns sorrow
There is an ocean deeper than fear
The tide is rising, rising

There is a current stirring deep inside
It's overflowing from the heart of God
The flood of heaven crashing over us
The tide is rising, rising

Bursting, bursting
Up from the ground
We feel it now
Bursting, bursting
Up from the ground
We feel it now

We come alive in the river
We come alive in the river
We come alive in the river
We come alive in the river

There is a current stirring deep inside
It's overflowing from the heart of God
The flood of heaven crashing over us
The tide is rising, rising

Bursting, bursting
Up from the ground
We feel it now
Bursting, bursting
Up from the ground
We feel it now

We come alive in the river
We come alive in the river
We come alive in the river
We come alive in the river

Break open prison doors
Set all the captives free
Spring up a well, spring up a well
Spring up a well in me

Nothing can stop this joy
We're dancing in the street
Spring up a well, spring up a well
Spring up a well in me

We come alive in the river
We come alive in the river
We come alive in the river
We come alive in the river

Bursting, bursting

Indescribable

From the highest of heights
to the depths of the sea,
Creation's revealing Your majesty
From the colors of fall,
to the fragrance of spring
Every creature unique
in the song that it sings
All exclaiming

Chorus:

Indescribable, uncontainable,
You placed the stars in the sky
and You know them by name.
You are amazing God

All powerful, untameable,
Awestruck we fall to our knees
as we humbly proclaim
You are amazing God

Who has told every lightning bolt
where it should go
Or seen heavenly storehouses
laden with snow
Who imagined the sun
and gives source to its light
Yet conceals it to bring us
the coolness of night
None can fathom

Chorus:

Indescribable, uncontainable,
You placed the stars in the sky
and You know them by name.
You are amazing God

All powerful, untameable,
Awestruck we fall to our knees
as we humbly proclaim
You are amazing God

You are amazing God

Indescribable, uncontainable,
You placed the stars in the sky
and You know them by name.
You are amazing God

All powerful, untameable,
Awestruck we fall to our knees
as we humbly proclaim
You are amazing God

Indescribable, uncontainable,
You placed the stars in the sky
and You know them by name.
You are amazing God

Incomparable, unchangeable
You see the depths of my heart
and You love me the same,
You are amazing God

You are amazing God

It is well

Grander earth has quaked before
Moved by the sound of His voice
Seas that are shaken and stirred
Can be calmed and broken for my regard

Chorus

Through it all, through it all
My eyes are on You
Through it all, through it all
It is well
Through it all, through it all
My eyes are on You
It is well with me

Far be it from me to not believe
Even when my eyes can't see
And this mountain that's in front of me
Will be thrown into the midst of the sea

Chorus

Through it all, through it all
My eyes are on You
Through it all, through it all
It is well
Through it all, through it all
My eyes are on You
It is well, it is well

So let go my soul and trust in Him
The waves and wind still know His name
So let go my soul and trust in Him
The waves and wind still know His name
So let go my soul and trust in Him
The waves and wind still know His name
The waves and wind still know His name

It is well with my soul

Joshua fit the battle of Jericho

Joshua fit the battle of Jericho,
Jericho, Jericho
Joshua fit the battle of Jericho
And the walls come tumbling down

You can talk about your man of Gideon
You can talk about your king of Saul
But theres none like good old Joshua
who fit the battle of Jericho

Up to the walls of Jericho
They marched with spear in hand
Go blow the ram horns, Joshua cried
' Cause the battle is in my hand

Then the lam-ram sheep-horns begin to blow
The trupets begin to sound
Old Joshua commanded the Children to shout
And the walls come tumbling down

Kumbaya

Kumbaya my Lord, kumbaya
Kumbaya my Lord, kumbaya
Kumbaya my Lord, kumbaya
Oh Lord, kumbaya

Someone's singing Lord, kumbaya
Someone's singing Lord, kumbaya
Someone's singing Lord, kumbaya
Oh Lord, kumbayah

Someone's laughing, Lord, kumbaya
Someone's laughing, Lord, kumbaya
Someone's laughing, Lord, kumbaya

Lamb of God

Your only Son
No sin to hide
But You have sent Him,
From Your side
To walk upon this guilty sod
And to become the Lamb of God

Your gift of Love
They crucified
They laughed and scorned him as he died
The humble King
They named a fraud
And sacrificed the Lamb of God

Chorus:

Oh Lamb of God, Sweet lamb of God
I love the Holy Lamb of God
Oh wash me in His precious Blood
My Jesus Christ the Lamb of God

I was so lost I should have died
But You have brought me to Your side
To be led by Your staff and rod
And to be call a lamb of God

Chorus:

Oh Lamb of God, Sweet lamb of God
I love the Holy Lamb of God
Oh wash me in His precious Blood
My Jesus Christ the Lamb of God

Oh wash me in His precious Blood
My Jesus Chris the Lamb of God

Lest I forget Thy love for me, lead me to Calvary : ||

May I be willing, Lord, to bear daily my cross for Thee
Even Thy cup of grief to share. Thou hast borne all for me

Choir:

||: Lest I forget Getshemane, Lest I forget Thine agony
Lest I forget Thy love for me, lead me to Calvary : ||

Lead me to the cross

Savior I come
Quiet my soul remember
Redemptions hill
Where Your blood was spilled
For my ransom

Everything I once held dear
I count it all as lost

Lead me to the cross
Where Your love poured out
Bring me to my knees
Lord I lay me down
Rid me of myself
I belong to You
Lead me, lead me to the cross

You were as I
Tempted and trialed
You are
The word became flesh
Bore my sin and death
Now you're risen

Everything..

promises that burned within my heart has now grown dim
With a doubting heart i follow the paths of earthly wisdom
Forgive me for my unbelief, renew the fire again

Lord of All

If life is just a song I will sing it for you
If life is just a path I will walk it for you

Jesus, Jesus, Lord of all! :/

Down upon the earth to set me free
to break the chains that had a hold on me

Jesus, Jesus, Lord of all! :/

Always by my side to comfort me
Always by my side to carry me

Jesus, Jesus, Lord of all! :/

The world that we know will pass away
The life that you give will forever stay

Lord, reign in me

Over all the earth,
You reign on high,
Every mountain stream,
Every Sunset Sky,
But my one request,
You Lord my only aim,
Is that you'd reign in me again,

Chorus:

Lord Reign in me, Reign in your power,
Over all my dreams, In my darkest hour,
You are the Lord, Of all I am, So won't you reign in me again

Over every thought,
Over every word,
May my life reflect,
The beauty of my Lord,
Cause you mean more to me,
than any earthly thing,
So won't you reign in me again

Mighty to save

Everyone needs compassion
A love that's never failing
Let mercy fall on me

Everyone needs forgiveness
The kindness of a Saviour
The hope of nations

Chorus

Saviour, he can move the mountains
My God is mighty to save
He is mighty to save
Forever Author of Salvation
He rose and conquered the grave
Jesus conquered the grave

So take me as you find me
All my fears and failures
Fill my life again

I give my life to follow
Everything that I believe in
Now I surrender

Chorus

Saviour, he can move the mountains
My God is mighty to save
He is mighty to save
Forever Author of Salvation
He rose and conquered the grave
Jesus conquered the grave

Shine your light and let the whole world see
We're singing for the glory of the risen king (2x)

Chorus

Saviour, he can move the mountains
My God is mighty to save

He is mighty to save
Forever Author of Salvation
He rose and conquered the grave
Jesus conquered the grave (2x)

Shine your light and let the whole world see
We're singing for the glory of the risen king Jesus (6x)

More love, more power

More love, more power, more of You in my life (x2)

And I will worship You with all of my heart

And I will worship You with all of my mind

And I will worship You with all of my strength

For You are my Lord

My hope is built on nothing less

My hope is built on nothing less
Than Jesus' blood and righteousness
I dare not trust the sweetest frame
But wholly lean in Jesus' Name

When darkness seems
To hide His face
I rest on His unchanging grace
In every high and stormy gale
My anchor holds within the veil

On Christ the solid Rock I stand
All other ground is sinking sand

His oath, His covenant, His blood
Support me in the whelming flood
When all around my soul gives way
He then is all my Hope and Stay

When He shall come
With trumpet sound
Oh may I then in Him be found
Dressed in His righteousness alone
Faultless to stand before the throne

I stand on the Rock Of Ages

My Jesus, my saviour

My Jesus, My Saviour,
Lord there is no one like you,
All of my days, I want to praise
The wonders of Your mighty love.

My comfort, my shelter,
Tower of refuge and strength
Let every breath, all that I am
Never cease to worship You.

Chorus:

Shout to the Lord, all the earth let us sing,
Power and majesty, praise to the King!
Mountains bow down and the seas will roar,
At the sound of your name!
I sing for joy at the work of your hands,
Forever I'll love you, forever I'll stand
Nothing compares to the promise I have in You.

Nearer still nearer

Nearer, still nearer, close to Thy heart,
Draw me, my Savior, so precious Thou art;
Fold me, oh, fold me close to Thy breast,
Shelter me safe in that "Haven of Rest,":/

Nearer, still nearer, nothing I bring,
Naught as an offering to Jesus, my King;
Only my sinful, now contrite heart,
Grant me the cleansing
Thy blood doth impart,:/

Nearer, still nearer, Lord, to be Thine!
Sin, with its follies, I gladly resign,
All of its pleasures, pomp and its pride,
Give me but Jesus, my Lord, crucified,:/

Nearer, still nearer, while life shall last,
'Til safe in glory my anchor is cast;
Through endless ages, ever to be,
Nearer, my Savior, still nearer to Thee,:/

Nobody knows

Nobody knows the trouble I've seen
Nobody knows but Jesus
Nobody knows the trouble I've seen,
Glory Hallelujah!

Sometimes I'm up Sometimes I'm down
Oh, yes, Lord!
Sometimes I'm almost to the ground,
Oh, yes, Lord!

Nobody knows the trouble I've seen
Nobody knows but Jesus
Nobody knows the trouble I've seen,
Glory Hallelujah!

Although you see me going' 'long so,
Oh, yes, Lord
I have my troubles here below,
Oh, yes, Lord

Nobody knows the trouble I've seen
Nobody knows but Jesus
Nobody knows the trouble I've seen,
Glory Hallelujah!

Now you may think that I don't know,
Oh, yes, Lord
But I've had my troubles here below.
Oh, yes, Lord

Nobody knows the trouble I've seen
Nobody knows but Jesus
Nobody knows the trouble I've seen,
Glory Hallelujah!

One day when I was walkin' along
Oh, yes, Lord

The sky opened up and love came down
Oh, yes, Lord

Nobody knows the trouble I've seen
Nobody knows but Jesus
Nobody knows the trouble I've seen,
Glory Hallelujah!

What makes old Satan hate me so?
Oh, yes, Lord
He had me once and had to let me go
Oh, yes, Lord

Nobody knows the trouble I've seen
Nobody knows but Jesus
Nobody knows the trouble I've seen,
Glory Hallelujah!

I never shall forget that day,
Oh, yes, Lord
When Jesus washed my sins away
Oh, yes, Lord

Ocean

You call me out upon the waters
The great unknown where feet may fail
And there I find You in the mystery
In oceans deep my faith will stand

And I will call upon Your Name
And keep my eyes above the waves
When oceans rise
My soul will rest in Your embrace
For I am Yours and You are mine

Your grace abounds in deepest waters
Your sovereign hand will be my guide
Where feet may fail and fear surrounds me
You've never failed and You won't start now

So I will call upon Your Name
And keep my eyes above the waves
When oceans rise
My soul will rest in Your embrace
For I am Yours and You are mine, oh

And You are mine, oh

Spirit lead me where my trust is without borders
Let me walk upon the waters
Wherever You would call me
Take me deeper than my feet could ever wander
And my faith will be made stronger
In the presence of my Saviour

I will call upon Your Name
Keep my eyes above the waves
My soul will rest in Your embrace
I am Yours and You are mine

Let us praise Him, 'cause it's a wonder
Listen to Him, to Messiah
We're on His victory train, right now (x2)

Come on over, to His Kingdom
Where the love is, and where the light is
To your brothers and your sisters
We're on His victory train, right now (x2)

On my way to heaven

I'm on my way to heaven
Don't you want to go
I'm on my way to heaven
Don't you want to go
I'm on my way to heaven
Don't you want to go
Yes I want to go

I've got the keys to the kingdom

One Heart, Mind And Soul

Chorus :

One heart, mind and soul
we will always stand together
One heart, mind and soul
and our unity will show that...
One heart, mind and soul
we will always stand together
One heart, mind and soul
and our unity will show that...
He is Lord

One heart, to be united
One heart in everything.
One heart, to stay enlightened
One heart, and away from sin
One heart, that is forgiven
One heart, that knows the truth
One heart, where the Spirit's living
One heart, with a strength of youth

Chorus :

we will always stand together
One heart, mind and soul
and our unity will show that...
One heart, mind and soul

One heart, mind and soul
and our unity will show that...
He is Lord

One mind, made up for Jesus
One mind, we won't be fooled
One mind, His word will lead us
One mind, yes, the Bible rules
One mind, who shares the same dream

One mind, that Jesus lived
One mind, to obey his saying
One mind, and do the things he did

Chorus :

One heart, mind and soul
we will always stand together
One heart, mind and soul
and our unity will show that...
One heart, mind and soul
we will always stand together
One heart, mind and soul
and our unity will show that...
He is Lord

One soul, we come to you Lord
One soul, when down and low
One soul, we pray for power
One soul, to be restored
One soul, we love each other
One soul, to keep us strong
One soul, my sister and brother
One soul, in heaven we belong

Only by grace

Only by grace can we enter
Only by grace can we stand
Not by our human endeavour
But by the blood of the Lamb

Into Your presence You call us
You call us to come
Into Your presence You draw us
And now by Your grace we come
Now by Your grace we come

Lord, if You marked our transgressions
Who would stand
Thanks to Your grace we are cleansed
by the blood of the Lamb

Lord, if You marked our transgressions
Who would stand
Thanks to Your grace we are cleansed
by the blood of the Lamb

And he's chosen us
to be his precious church
Now after a while
we will see him come
and he'll let his children
see the risen one.

Prince of peace

My heart a storm, clouds raging deep within
The Prince of peace came bursting through the wind
The violent sky held its breath
And in Your light I found rest
Tearing through the night
Riding on the storm
Staring down the fight
My eyes found Yours
Shining like the sun
Striding through my fear
The Prince of peace
Met me there

You heard my prayer

Hope like the sun, light piercing through the dark
The Prince of peace came and broke into my heart
The violent cross, the empty grave
And in Your light I found grace

Tearing through the night
Riding on the storm
Staring down the fight
My eyes found Yours
Shining like the sun
Striding through my fear
The Prince of peace
Met me there

You're always there
And You hear my prayer

Your love surrounds me
When my thoughts wage war
When night screams terror
There Your voice will roar

Come death or shadow
God I know Your light will meet me there

When fear comes knocking
There You'll be my guard
When day breeds trouble
There You'll hold my heart
Come storm or battle
God I know Your peace will meet me there

(Again and again)
Oh, be still my heart
I know that You are God
Oh fear no evil
For I know You are here

And my soul will know Your love surrounds me
When my thoughts wage war
When night screams terror
There Your voice will roar
Come death or shadow
God I know Your light will meet me there

And my soul will know
When fear comes knocking
There You'll be my guard
When day breeds trouble
There You'll hold my heart
Come storm or battle
God I know Your peace will meet me there

Oh, be still my heart
And my soul will ever know that You are God
And You heard my prayer

Psalm 62

My soul finds rest in God alone, my rock and my salvation
A fortress strong against my foes and I will not be shaken
Though lips may bless and hearts may curse
And lies like arrows pierce me
I'll fix my heart on righteousness, I'll look to Him who hears me

O praise Him, Hallelujah, my Delight and my Reward
Everlasting, never failing, my Redeemer, my God

Find rest, my soul, in God alone amid the world's temptations
When evil seeks to take a hold I'll cling to my salvation
Though riches come and riches go, don't set your heart upon them
The fields of hope in which I sow are harvested in heaven

O praise Him, Hallelujah, my Delight and my Reward
Everlasting, never failing, my Redeemer, my God

I'll set my gaze on God alone and trust in Him completely
With every day pour out my soul and He will prove His mercy
Though life is but a fleeting breath, a sigh too brief to measure
My King has crushed the curse of death and I am His forever

O praise Him, Hallelujah, my Delight and my Reward
Everlasting, never failing, my Redeemer, my God
O praise Him, Hallelujah, my Delight and my Reward
Everlasting, never failing, my Redeemer, my God

O praise Him, O praise Him, Hallelujah, Hallelujah
O praise Him, O praise Him, Hallelujah, Hallelujah
O praise Him, O praise Him, Hallelujah, Hallelujah

O praise Him, Hallelujah, my Delight and my Reward
Everlasting, never failing, my Redeemer, my God
O praise Him, Hallelujah, my Delight and my Reward
Everlasting, never failing, my Redeemer, my God

Remember

Remember when
he called your name.
Remember where you started from.
Remember all you overcame.
Remember how through him
you won.

You wanted to know all it was
To see him, to be him.
You realized that you were lost
without him, you found him.
You saw the way you never could
repay him, today is the day
to take time just to...

Chorus :

Remember, remember, Remember
what you're doing
this for.
Remember, remember.
Remember why he is your Lord.

Remember who you were before.
Remember where your sorrows led.
Remember sin had promised more,
Remember hopelessness instead.

Instead of pleasure filling you,
it killed you, and still you
were left with only emptiness
inside you, to hide you
would fill your time with other things,
yet still knew there had to more.
And then you found him...

Chorus :

Remember, remember, Remember

what you're doing
this for.
Remember, remember.
Remember why he is your Lord.

Remember seeing what to do,
Remember eyes were open wide.
Remember every day was new.
Remember learning like a child.

A child, you hungered for
each lesson
you learned and in turn
you passed along each morsel to
another, your brother.
You tasted that the Lord was good
—he filled you, now don't you forget
your first love, got to...

Chorus :

Remember, remember, Remember
what you're doing
this for.
Remember, remember.
Remember why he is your Lord.

Remember what the future holds.
Remember dreams you had in youth.
Remember all the Spirit told.
Remember promises of fruit.

Fruit that's guaranteed if you stay
with him, and in him.
Tomorrow holds the dreams
that God inspires; still higher
his power leads,
from strength to strength
and victory to victory again.
And heaven's waiting...

Chorus :

Remember, remember, Remember
what you're doing
this for.
Remember, remember.
Remember why he is your Lord.

Sanctuary

O Lord prepare me to be a sanctuary,
pure and holy, tried and true.
With thanksgiving I'll be a living,
sanctuary for you.

It was you lord who gave the savior,
heart and soul Lord, for every man.
It is you lord, who knows my weakness,
you refine me with thine own hand.

Lead me o Lord through temptation,
you refine me from within.
Fill our hearts with your holy spirit,
and take all our sins away.

Silence Now

Silence now, let the shades be gone
calm your soul in my smiling dawn.
Hear my call; though you may be astray
I won't be far away
I was there long before your start
know the cause of your broken heart
Lean on me and let me fill your need
embrace your soul, and lead

Don't believe in a life in vain
I will free you from guilt and chain
Hear my word! You'll find the truth in me
and truth will set you free
Dress up now in a joyful way
All your sins have been washed away
I'll renew your song with joy and grace
and shine out through your face.

Keep in mind that I rose you up
from the dust you will reach the top
Rise and shine, for you have grown to light
for those who walk by night
Share the bread that I gave to you
quench their thirst with eternal brew
Show the world that children from above
are all combined in love.

Simple faith

Elisha was a special man
a farmer handling several cows
then Elia threw his coat on him

Now God was calling him to leave
his comfort zone and trust in him
Elisha killed his cows and made a feast

Chorus:

Simple faith, simple trust,
simply love like he did on the earth
You will live, you'll be strong
you will see his words come true :/

He said good buy to mom and dad
They might have thought it's very sad
Elisha knew his God was in control

The journey started off they went
I don't think they brought any tent
They knew their God was in total control

The blood that Jesus shed for me

The blood that Jesus shed for me
way back on Calvary
the blood that gives me strength
from day to day
it will never lose its pow'r

It reaches to the highest mountain
It flows to the lowest valley
The blood that gives me strength
from day to day
it will never lose its pow'r

It soothes my doubt and calms my fears
and it dries all my tears
the blood that gives me strength
from day to day
it will never lose its pow'r

It flows to the lowest valley
The blood that gives me strength

The Greatest Love

The further one day from the light I walked away
The longer my shadow was stretching into the dark
At last my very self disappeared and faded to black
But even then there was one that saw me!

Chorus:

Never so far, never so gone
God carries me back home
Not a second to late He changed my fate
He's the greatest love I've known

My heart was getting cold by the darkness of
my sight
And nothing I did gave meaning to it all
Then by chance it seemed, a word I did recall
Put your trust in the light while there still is time!

Chorus:

Never so far, never so gone
God carries me back home
Not a second to late He changed my fate
He's the greatest love I've known

I struggled with pride and was close to giving up
Shame covered by dark did try holding me back
I cried out for strength, then I ran into the light
The mercy and grace I got was without end!

Chorus:

Never so far, never so gone
God carries me back home
Not a second to late He changed my fate
He's the greatest love I've known

And even today I see shades along the way
Where ever I go they appear from time to time
Finally I've learned that I'm not as strong as I think
And what really counts is which way I turn!

Chorus:

Never so far, never so gone

God carries me back home

Not a second to late He changed my fate

He's the greatest love I've known

Sweeter also than honey and honeycomb

The more I seek you

The more I seek you,
The more I find you
The more I find you,
the more I love you

I wanna sit at your feet
Drink from the cup in your hand.
Lay back against you and breath,
feel your heart beat
This love is so deep,
it's more than I can stand.
I melt in your peace,
it's overwhelming

The remembrance

This bread it is my body
a sacrifice for you
All your sins I carry
believe, for it is true

You're everything
You're everything

Give us your fire
To carry us along
Give us desire

To build the kingdom strong
Give us the dream
And when the dream is done
We'll be with you
We'll be with you

The wonderful cross

When I survey the wondrous cross
on which the Prince of Glory died,
my richest gain I count but loss
and pour contempt on all my pride
See, from His head, His hands, His feet
sorrow and love flow mingled down
Did e'er such love and sorrow meet,
or thorns compose so rich a crown?

Chorus:

Oh, the wonderful cross, oh, the wonderful cross
bids me come and die and find that I may truly live
Oh, the wonderful cross, oh, the wonderful cross
All who gather here by grace draw near and bless
Your name

Were the whole realm of nature mine
that were an off'ring far too small
Love so amazing, so divine
demands my soul, my life, my all!
Were the whole realm of nature mine
that were an off'ring far too small
Love so amazing, so divine
demands my soul, my life, my all!

Chorus:

Oh, the wonderful cross, oh, the wonderful cross
bids me come and die and find that I may truly live
Oh, the wonderful cross, oh, the wonderful cross
All who gather here by grace draw near and bless
Your name

Love so amazing, so divine
demands my soul, my life, my all!

And I can search for all eternity, Lord
And find, there is none like You

There is none like You
No one else can touch my heart like You do
And I can search for all eternity, Lord
And find, there is none like You

And healing comes from Your hand
Suffering children are safe in Your arms
There is none like You

There is none like You
No one else can touch my heart like You do
And I can search for all eternity, Lord
And find, there is none like You
Oh I can search for all eternity, Lord
And find, there is none (there is none)
There is none (there is none)
There is none like You

There is none like You

Thy word

Chorus:

Thy word is a lamp unto my feet
And a light unto my path.
Thy word is a lamp unto my feet
And a light unto my path.

When I feel afraid,
And think I've lost my way.
Still, You're there right beside me.
Nothing will I fear
As long as You are near;
Please be near me to the end.

I will not forget
Your love for me and yet,
My heart forever is wandering.
Jesus be my guide,
And hold me to Your side,
And I will love you to the end.

Nothing will I fear
As long as You are near;
Please be near me to the end.

Thy word is a lamp unto my feet
And a light unto my path.
Thy word is a lamp unto my feet
And a light unto my path.
And a light unto my path.
You're the light unto my path.

Victory in Jesus

I heard an old, old story, how a Savior came from glory
How he gave his life on Calvary to save a wretch like me
I heard about His groaning, of His precious blood's atoning

Chorus:

Oh victory in Jesus, my Saviour forever
He sought me and He bought me with his redeeming blood
He loved me'ere I knew Him and all mo love is due Him
He plunged me to victory beneath the cleansing flood

I heard about His healing, of His cleansing power revealing
How He made the lame to walk again and He cause the blind to see
And then I cried, "Dear Jesus, come and heal my broken spirit"
I then obeyed His blest command and gained the victory

Chorus:

Oh victory in Jesus, my Saviour forever
He sought me and He bought me with his redeeming blood
He loved me'ere I knew Him and all mo love is due Him
He plunged me to victory beneath the cleansing flood

I head about a mansion He has built for me in glory
And I heard about the street of gold beyond the crystal sea
About the angels singing and the old redemption story
Oh and some sweet day I'll sing up there the song of victory

Chorus:

Oh victory in Jesus, my Saviour forever
He sought me and He bought me with his redeeming blood
He loved me'ere I knew Him and all mo love is due Him
He plunged me to victory beneath the cleansing flood

We are friends

Have you met the doctor of my heart?
He made it restart
He's the benefactor of my soul
He makes me whole

Choir:

We are friends
and he shows me a love so tender, yet intense
It was love that made him die on a cross
He gave up everything for us

Have you met my teacher?
Wisdom flows wherever he goes
Once he was a preacher
He told what's required before he retired

Choir:

We are friends
and he shows me a love so tender, yet intense
It was love that made him die on a cross
He gave up everything for us

Have you met the master of my house?
It's not my spouse!
Let's approach him faster
When you meet, he'll wash your feet

Choir:

We are friends
and he shows me a love so tender, yet intense
It was love that made him die on a cross
He gave up everything for us

We shall overcome

We shall overcome
We shall overcome
We shall overcome, some day

Oh, deep in my heart
I do believe
We shall overcome, some day

We'll walk hand in hand
We'll walk hand in hand
We'll walk hand in hand, some day

Oh, deep in my heart
I do believe
We shall overcome, some day

We shall live in peace
We shall live in peace
We shall live in peace, some day

Oh, deep in my heart
I do believe
We shall overcome, some day

We are not afraid
We are not afraid
We are not afraid, TODAY

Oh, deep in my heart
I do believe
We shall overcome, some day

The whole wide world around
The whole wide world around
The whole wide world around some day

Oh, deep in my heart
I do believe
We shall overcome, some day

We will glorify

We will glorify the King of Kings
We will glorify the Lamb
We will glorify the Lord of Lords
Who is the great I Am

Lord Jehovah reigns in majesty
We will bow before His throne
We will worship Him in righteousness
We will worship Him alone

He is Lord of heaven, Lord of earth
He is Lord of all who live
He is Lord of all the universe
All praise to Him we give

Hallelujah to the King of Kings
Hallelujah to the Lamb
Hallelujah to the Lord of Lords
Who is the great I Am

When Israel Was In Egypt's Land

When Israel was in Egypt's land
Let my people go
Oppressed so hard they could not stand
Let my people go

Go down, Moses, 'way down in Egypt's land
tell old Pharaoh to let my people go

Thus saith the Lord, bold Moses said
Let my people go
If not, I'll smite your first-born dead
Let my people go

Go down, Moses, 'way down in Egypt's land
tell old Pharaoh to let my people go

No more shall they in bondage toil
Let my people go
Let them come out with Egypt's spoil
Let my people go

Go down, Moses, 'way down in Egypt's land
tell old Pharaoh to let my people go

Your foes shall not before you stand
Let my people go
And you'll possess fair Canaan's land
Let my people go

Go down, Moses, 'way down in Egypt's land
tell old Pharaoh to let my people go

O let us all from bondage flee
Let my people go
And let us all in Christ be free
Let my people go

Go down, Moses, 'way down in Egypt's land
tell old Pharaoh to let my people go

Who am I

Who am I,
that the Lord of all the earth
Would care to know my name
Would care to feel my hurt

Who am I,
that the Bright and Morning Star
Would choose to light the way
For my ever wandering heart

Bridge:

Not because of who I am
But because of what You've done
Not because of what I've done
But because of who You're

Chorus:

I am a flower quickly fading
Here today and gone tomorrow
A wave tossed in the ocean
A vapor in the wind
Still You hear me when I'm calling
Lord, You catch me when I'm falling
And You've told me who I am
I am Yours,
I am Yours

Who Am I,
that the eyes that see my sin
Would look on me with love
and watch me rise again

Who Am I,
that the voice that calmed the sea
Would call out through the rain
And calm the storm in me

Bridge:

Not because of who I am
But because of what You've done
Not because of what I've done
But because of who You're

Chorus:

I am a flower quickly fading
Here today and gone tomorrow
A wave tossed in the ocean
A vapor in the wind
Still You hear me when I'm calling
Lord, You catch me when I'm falling
And You've told me who I am
I am Yours,
I am Yours

You are everything

I'm the one with two left feet
Standing on a lonely street
I can't even walk a straight line
And every time you look at me
I'm spinning like an autumn leaf
Bound to hit bottom sometime

Bridge:

Where would I be without someone to save me? Someone who won't let me fall

Chorus:

You are everything that I live for
Everything that I can't believe is happening
You're standing right in front of me
With arms wide open All I know is
every day is filled with hope 'Cause

You are everything that I breathe for
And I can't help but breathe You in,
and breathe again,
Feeling all this life Within
Every single beat of my heart

I'm the one with big mistakes
Big regrets and bigger breaks
Than I'd ever care to confess
But You're the one who looks at me
And sees what I was meant to be
More than just a beautiful mess

Bridge:

Where would I be without someone to save me? Someone who won't let me fall

Chorus:

You are everything that I live for
Everything that I can't believe is happening
You're standing right in front of me

With arms wide open All I know is
every day is filled with hope 'Cause

You're everything good in my life
Everything honest and true
And all of those stars hangin' up in the sky
Could never shine brighter than You

Chorus:

You are everything that I live for
Everything that I can't believe is happening
You're standing right in front of me
With arms wide open All I know is
every day is filled with hope 'Cause

Norske sanger

Alt for Jesu fot jeg legger

Alt for Jesu fot jeg legger,
alt hva jeg her kaller mitt
Jeg vil elske, jeg vil tro ham,
følge ham for hvert et skritt

Jeg vil gi deg alt, jeg vil gi deg alt
Du skal råde, kjære frelser, jeg vil gi deg alt

Alt for Jesu for jeg legger,
gjør meg, Frelser, helt til din
La meg høre Åndens stemme,
la meg kjenne du er min

Jeg vil gi deg alt, jeg vil gi deg alt
Du skal råde, kjære frelser, jeg vil gi deg alt

Alt for Jesu fot jeg legger,
ja, jeg gir meg selv til deg
Fyll meg med din kraft og nåde,
med din fred velsign du meg

Jeg vil gi deg alt, jeg vil gi deg alt
Du skal råde, kjære frelser, jeg vil gi deg alt

Bare i deg

Bare i deg har min sjel sin ro
Bare i deg min Gud
(x2)

I Herren har jeg mitt håp
Bare han er min klippe
Min frelse og min borg
Jeg skal ikke vakle

Bare på grunn av din nåde

Bare på grunn av din nåde.
Bare på grunn av ditt blod.
Far, får jeg lov til å komme, bare fordi du er god.
I dine kjærlige armer, er nåde å få.
Tett til ditt bankende hjerte.
Får jeg lov å komme nå
x2

Får jeg lov å komme nå
Gud holdt du fast ved min synd var alt håp forbi!
Renset i blodet fra Lammet har jeg nå fått liv.
x2

Bare på grunn av din nåde.
Bare på grunn av ditt blod.
Far, får jeg lov til å komme, bare fordi du er god.
I dine kjærlige armer, er nåde å få.
Tett til ditt bankende hjerte.
Får jeg lov å komme nå
Får jeg lov å komme nå

Det er godt

Kom, la oss feire Herren, Gud og alles Far
Det er godt å tilbe deg, og gi deg alt vi har!

Jeg står opp, ønsker hver morgen at du skal råde
Sent på kveld synger jeg om din nåde
Nystemte strenger klinger med!

Herre, vi vil takke deg! (x2)

Kom, la oss møtes, venner; finne sammen igjen
Det er godt å høre til i familien!

Vi kan be, trøste og hjelpe når noen lider
Sammen få styrke til kommende tider,
finne ny visdom i Guds ord!

Herre, vi vil takke deg! (x3)

Det hev ei rose sprunge

Det hev ei rose sprunge
ut av ei rot så grann.
Som fedrane hev sunge:
Av Isais rot ho rann,
og var ein blome blid
midt i den kalde vinter
ved mørke midnattstid.

Om denne rosa eine
er sagt Jesajas ord.
Maria møy, den reine,
bar rosa til vår jord.
Og Herrens miskunnspekt
det store under gjorde
som var i spådom sagt.

Guds rose ljuvleg angar
og skin i jordlivs natt.
Når hennar ljøs oss fangar,
ho vert vår beste skatt.
Me syng i englelag:
No er det fødd ein Frelsar,
og natti vart til dag.

Du er min vei

Jesus, du vet hvem jeg er
og hvordan jeg har havnet her
Vær nå til stede, lær meg din glede
Du er min vei, lær meg å bli som deg

Jesus, du strevde og led
men møtte din smerte med fred
Gå ved min side når jeg må lide
Du er min vei, lær meg å bli som deg

Jesus, du holder meg fast
i stormenes heftige kast
Vær du mitt anker, preg mine tanker
Du er min vei, lær meg å bli som deg

Jesus, jeg gir deg all ære,
jeg vil aldri slutte å lære
Du er kongen, du er kongen min
(x2)

Jesus, min Herre og bror
Din kraft er ufattelig stor
Du er den første, beste og største
Du er min vei, lær meg å bli som deg

Du gav meg tro

Du gav meg tro, du gav meg kraft
du gav meg alt jeg aldri har hatt
Når vi står her, her foran deg
vet jeg at du holder meg fast

Selv om jordkloden snurrer så fort
og mørket kan vise seg mellom oss
duker du for oss et veldig bord
med fremtid og håp til oss

Du skinner

Bare én er god, ingen annen gir meg ro
Bare én vet om mine hemmelige rom

Du har gledet meg med vennlige ord
Du har ledet meg til dekkede bord

Ja, du skinner på min vei, på din flokk,
og du smiler ned til meg, har jeg deg, har jeg nok!

Bare én forstår mine lengsler, mine sår
Bare én kan se når jeg vender blikket ned

Du har vunnet over mørke og død
Jeg har funnet trøst i motgang og nød

Ja, du skinner på min vei, på din flokk,
og du smiler ned til meg, har jeg deg, har jeg nok!

Mellomspill

Du kan høre når jeg hviskende ber
Du kan gjøre alt jeg ber om, og mer!

Ja, du skinner på min vei, på din flokk,
og du smiler ned til meg, har jeg deg, har jeg nok!

Eg er din

Finnes som Jesus en venn i nøden?

Finnes som Jesus en venn i nøden?
Ikke en – ikke en!
Kan noen annen deg fri fra døden?
Ikke en – ikke en!

Refreng

Han forstår all din nød og trengsel,
han skal lede deg dagen lang.
Ingen som han fyller all din lengsel,
ikke en – ikke en!

Er noen annen så ren og hellig?
Ikke en – ikke en!
Finnes der noen så tro og kjærlig?
Ikke en – ikke en!

Ble noen hellig forlatt i våde?
Ikke en – ikke en!
Aldri en synder ble nektet nåde.
Ikke en – ikke en!

Kom la oss gå ham med sang i møte,
hver og en – hver og en!
Våkne av søvne! Stå opp fra døde,
hver og en – hver og en!

Gideon

Da Israels barn var i Midjans vold
ropte folket til Gud

Han svarte: «Jeg reddet deg ut av Egypt
men du hørte ikke på mine bud

Jeg sa: Følg meg, lyd meg
vend deg ikke bort fra mitt ord

Jeg sa: Følg meg, lyd meg
så lover jeg å vokte min hjord»

Herren talte til Gideon:

«Jeg vil at du skal lede min hær»

Gideon svarte: «Nei, velg ikke meg
ser du ikke hvem jeg er?

Jeg er ung, svak, feig, redd
og feiler nok på stridens dag
Jeg er ung, svak, feig, redd
jeg har aldri vunnet et slag»

Gud gav Gideon tegnet, og han valgte å gå
men de som var redde fikk lov til å snu
slik at Gud skulle æren få

Gideon dro ut med tre hundre mann
mot en stor og fryktelig flokk

Basunene lød og Herren grep inn

Han gav dem seier og krigsbytte nok

/: Det var Gud som sendte
kraft og mot til Israels menn

Det var Gud som gav dem
friheten og landet igjen :/

men til evig liv oppstå!

kaster sine kroner for dine føtter ned.
Englehærers jubel oppad mot deg farer,
du som var og er og evig bliver ved.

intet urent øye kan se din herlighet.
Ene du er hellig, ingen er din like,

All visdom og kunnskap fins i Herren,

for å se på Kanaans deilige land
Israelsfolket skulle få slippe
å slite mer i ørkensand

Refreng:

Han sa: Herren er sterk! Herren er stor!
Han har makt nok til å holde sitt ord!
Herren er sterk! Herren er stor!
Han har makt nok til å holde sitt ord!

Speiderne kom tafatte hjem
fordi Kanaans menn var barske og rå
Men Kaleb hadde ikke gitt opp,
han sa: Disse folka kan vi slå!

Førti år gikk folket i ørkenen,
de som sviktet, døde der
Men barna deres hørte på Josva
da han slo fast at Gud var nær

Blant de unge krigerne stod det
en høyreist kar på åttifem
Kaleb kvesset spydet til kamp
og sa: Endelig skal vi komme hjem!

Herren skal stride for deg

Ikledd Hans rustning nå rede vi står,
Herren skal stride for deg,
Hans makt er uendelig større enn vår,
Herren skal stride for deg!

Refreng:

Vi synger: Ære, lov og pris,
makten og styrken er Hans!
(x2)

Når mørket er her, strømmes inn som en flod,
Herren skal stride for deg,
se, Jesus stod opp, vi får kraft fra Hans blod
Herren skal stride for deg!

Når kraften er borte og fienden nær;
Herren skal stride for deg,
vær modig, for snart er befrielsen her,
Herren skal stride for deg!

Hjerteslag

Gud, vekk opp mitt indre
Så jeg kan lære å tenke som Deg
Gud, åpne opp mine øyne
Så jeg kan se hvem som trenger Deg gjennom meg

Jeg vil gå dit Du går
Hvor enn du kaller hjelp meg å følge
Jeg vil se de Du ser
Hvert knuste hjerteslag

Gud, løs fri mine hender
Så de kan gjøre det de var skapt til
Gud, vis meg din vilje
For dit du går er også der jeg vil

Jeg vil gå dit Du går
Hvor enn du kaller hjelp meg å følge
Jeg vil se de Du ser
Hvert knuste hjerteslag
Jeg vil gå dit Du går
Hvor enn du kaller hjelp meg å følge
Jeg vil se de Du ser
Hvert knuste hjerteslag

I styrke og svakhet
Min tilflukt er, min tilflukt er i Deg
I styrke og svakhet
Min tilflukt er, min tilflukt er i Deg
I styrke og svakhet
Min tilflukt er, min tilflukt er i Deg
I styrke og svakhet
Min tilflukt er i Deg

Jeg vil gå dit Du går
Hvor enn du kaller hjelp meg å følge
Jeg vil se de Du ser
Hvert knuste hjerteslag

Jeg vil gå dit Du går
Hvor enn du kaller hjelp meg å følge
Jeg vil se de Du ser
Hvert knuste hjerteslag
Kan finne håp i Deg

Hvem er det du lever for

F: Si meg, hvem er det du lever for?

A: Jeg lever kun for Herren!

(x2)

F: Si meg, hvem er det du stoler på?

A: Jeg stoler kun på Herren!

(x2)

F: Si meg, hvem er det du ber til?

Hvor stor er vår Gud

En veldig Gud vi har
Majestet og Far
La hele verden se, hele verden se
Du kler deg selv i lys
Og mørket søker ly
Og skjelver ved din fot, skjelver ved din fot

Hvor stor er vår Gud!
Syng det ut
Hvor stor er vår Gud
La alle se
Hvor stor, hvor stor er vår Gud

Fader, Sønn og Ånd
Med verden i sin hånd
Han levde og han led, levde og han led
Han tok vår synd på seg
Og Lammet viste vei
Til evighetens fred, evighetens fred

Hvor stor er vår Gud!
Syng det ut
Hvor stor er vår Gud
La alle se
Hvor stor, hvor stor er vår Gud

Herre over alt
Du er verdig all vår sang
Mitt hjerte roper stor er vår Gud
(x2)

Hvor stor er vår Gud!
Syng det ut
Hvor stor er vår Gud
La alle se
Hvor stor, hvor stor er vår Gud
(x2)

I himmelen, i himmelen

I himmelen, i himmelen,
hvor Gud, vår Herre bor,
der skal vi se ham som han er,
i salighet så stor,
/: og synge «Hellig! Hellig!» der :/
nær Herren Sebaot.

Av klarheten i himmelen
de frelste skinne skal,
ja, som den klare solen selv
vidt over stjernehall,
/: og stå som englers like der :/
nær Herren Sebaot.

Se, Gud skal gjøre allting nytt,
og glemt blir jordens kval.
Hver tåre skal han tørre av
i himlens gledesal.
/: og døden finnes ikke mer :/
nær Herren Sebaot.

Deg Fader, Sønn og Helligånd
skje evig lov og pris!
Du lar oss se den åpne port
inn til ditt paradys,
/: der evig lovsang fyller alt :/
nær Herren Sebaot.

Jeg hører Gud synge til meg

Ja, jeg hører Gud synge til meg
– Frelsen går fra land til land

Ja, jeg hører Gud synge til meg
– Nøkkelen ligger i din hand

Å, jeg kjenner Gud leve i meg
– Livets flamme, hjertets ild

Ja, jeg hører Gud synge til meg
– Hør Guds sang for Jesu drøm
– Hør Guds sang for Jesu drøm

Choir:

Ja, jeg hører Gud synge til meg (x4)
Hør Gud synge, Juble gledesfylt
Og jeg elsker Herrens lov
Hør Gud synge og Han sier
Syng nå alle på en gang
Håpets sang knuser ondskaper
Hev din røst og rop det ut
En stridsmanns sang, en hellig symfoni
Redsel blir til kjærlighet

Choir:

Ja, jeg hører Gud synge til meg (x4)
Samle oss nå til enighet
Spre oss og vi sår vår tro
Kirken spres til alle kanter
Vå går ut til strid med ro
Kritiser oss, vi blir sterkere
Drep oss for da seirer vi
Vi kjemper ei for denne verden
For vår sjel er evig fri

(Menn): Suhkeuh Moongoo ahkeeyeembah (4x)

(Kvinner): Hear God sing for Jesus sake (4x)

Choir:

Ja, jeg hører Gud synge til meg (x4)

Jeg takker deg

Jeg takker Deg for drømmen Du har gitt
og alle venner som jeg har
Du endret retningen på livet mitt
og jeg får kalle Deg min Far!
Ja, din kjærighet er stor
jeg holder meg til Ditt Ord
og med glede synger jeg min sang til Deg

I give You thanks for every thought I have
and for the friends You've given me
I give You thanks for every song I have
and for Your love that sets me free!
Here in Your word I will remain
my life I dedicate to you
joyfully I'm standing here before Your face

Mä kiitän sua ajatuksista
ja ystäväistä lähellä
Kiittän siitä, että laulaa saan
ja kodissasi asua
Sanassas' tahdon pysyä
mä sulle laulun omistan
kiitoksella, Sun kasvojasi katselen

Te doy gracias por mi pensar
y por la gente que aqui esta
Te doy gracias por poderte cantar
y en tu casa yo estar
En tu palabra quiero estar
a ti te quiero yo cantar
me alegro, porque tu rostro está aqui tambien

Kjærleik, kjærleik

Kjærleik, kjærleik, evangeliet i eit ord er kjærleik
Elsk din neste som deg selv, Kjærleik

Fred, fred, fred, evangeliet i eit ord er fred
Meire verdt enn alt vi tenker. Fred, fred, fred

Glede, glede, evangeliet i eit ord er glede
Gled dykk alltid i våre Herre. Glede

Kristus, Kristus. Evangeliet i eit ord er Kristus
Elsk Ham, tjen Ham og tilbed Ham. Kristus

Kom, kom og hør et gledens ord

Kom, kom og hør et gledens ord,
for Gud sitt lys har tent!
Den blinde ser og slaven får
sin frihet ufortjent.

Guds nåde lyser angsten bort,
og troen kommer inn,
og varmer det som før var kaldt
av tvil og tankespinn.

Og derfor gir jeg ham mitt ja
og kaller ham min Far,
for han vil gi meg evig liv
og alt han er og har.

Konge over alt

Om livet er en sang vil jeg synge for deg
Om livet er en vei vil jeg vandre med deg

Jesus, Jesus, Konge over alt (x2)

Du kom ned på jorden for å gjøre oss fri
Da synden holdt oss fast, den tiden er forbi

Jesus, Jesus, Konge over alt (x2)

Vi forlater alt for å følge deg
Vi vandrer gjennom livet for å bli som deg

Jesus, Jesus, Konge over alt (x2)

Livet som vi lever kommer til å forgå
Men livet som du gir vil alltid bestå

Jesus, Jesus, Konge over alt (x2)

Kumbaya

Vær oss nær, å Gud! Vår oss nær (x3)
Å Gud, vær hos nær

Noen gråter Gud, vær dem nær (x3) ...

Noen ber, å Gud, vær dem nær (x3) ...

Noen synger Gud, vær dem nær (x3) ...

Kumbaya, my Lord! Kumbaya (x3) ...

La lyset

Choir:

La lyset lyse klart slik at alle ser

At i din nærhet mørket flyr

Fader av lys til Deg jeg ber (x2)

Det finnes et sted uten mørke, i et land fylt av herlighet

Og i den hellige byen, lyser Herren Gud i evighet

Han sender oss lyser, med en hilsen fra himmelen

En kjærlighets flamme som lyser for hver og en

La meg være rettferdig

Å, Herre la meg være rettferdig
Ren og hellig her og nå
Takk, min Herre. Din vil jeg være
Herre, liv Deg hver dag som går

Det var Du, Gud, som ga oss Kristus Håp og glede for hver og en
Det er Du, Gud, som er med meg
Gjør meg ren og full av fred

Herre, led meg gjennom livet
Over floden hjem til deg
Fyll mitt hjerte med ekte glede
La meg leve helt for Deg

Hør min røst nå blant alle engler
Ved din trone lyder lovsong
Å, jeg lengter etter Herren
Å få komme til Ditt land

Lær meg å kjenne dine veier

Lær meg å kjenne dine veier
og gå dem trøstig skritt for skritt!
Jeg vet at hva jeg fikk i eie,
er borget gods, og alt er ditt.
Men vil din sterke hånd meg lede,
jeg aldri feil på målet ser,
og for hvert håp som dør der nede,
får jeg et håp i himlen mer.

Lær meg å kjenne dine tanker
og øves i å tenke dem!
Og når i angst mitt hjerte banker,
da må du kalle motet frem.
Når jeg har tenkt meg trett til døden,
si så hva du har tenkt, o Gud!
Da kan jeg se at morgenrøden
bak tvil og vande veller ut.

Men lær meg fremfor alt å kjenne
din grenseløse kjærlighet,
den som kan tusen stjerne tenne
når lykkens sol for meg går ned.
Den tørrer tåren som den skapte
og leger såret som den slo.
Dens vei går gjennom det vi tapte,
den gir oss mere enn den tok.

Lær meg kjærleik

Lær meg kjærleik, min Gud, min Gud (x2)

Lær meg dine bod
den kjærleik du sår med dine ord

Fyll meg med tru, min Gud, min Gud (x2)

Lær meg dine bod
den kjærleik du sår med dine ord

Gjev meg fred, min Gud, min Gud (x2)

Lær meg dine bod
den kjærleik du sår med dine ord

Lær meg dine bod
den kjærleik du sår med dine ord

Lær meg dine bod
den kjærleik du sår med dine ord

Med Jesus vil eg fare

Med Jesus vil eg fara
på livsens ferd i lag.
Gud, lat den samferd vara
alt til min døyand dag!
Det er mi høgste æra,
det er mi største ros,
hans fylgjesvein å vera
og vandra i hans ljøs.

Min Jesus, sannings stjerna,
lys opp min mørke veg!
Mitt hjarta vil så gjerna
få fylgja etter deg.
Du lyser enn i verdi
som før frå Betlehem.
Ver du mitt ljøs på ferdi,
til heim med deg eg kjem!

Du til di grein meg sette
alt i min fyrste vår,
med livsens dogg meg vætte,
gav sol og signa år.
Du vil og vokster gjeva
alt til min siste slutt:
Lat meg i deg få leva,
i deg få anda ut!

Mer nåde, mer kraft

mer av Deg i mitt liv

Mitt hjerte alltid vanker

Mitt hjerte alltid vanker
i Jesu føderom,
der samles mine tanker
som i sin hovedsum.
Der er min lengsel hjemme,
der har min tro sin skatt;
jeg kan deg aldri glemme,
velsignet julenatt!

Hvi * lot du ei utspenne
en himmel til ditt telt
og stjernefakler brenne,
å store himmelhelt?
Hvi lot du frem ei lyne
en mektig englevakt,
som deg i silkedyne
så prektig burde lagt?

En spurv har dog sitt rede
og sikre hvilebo,
en svale må ei bede
om nattely og ro,
en løve vet sin hule
hvor den kan hvile få –
skal da min Gud seg skjule
i andres stall og strå?

Akk, kom, jeg opp vil lukke
mitt hjerte og mitt sinn
og full av lengsel sukke:
Kom, Jesus, dog herinn!
Det er ei fremmed bolig,
du har den selv jo kjøpt,
så skal du blive trolig
her i mitt hjerte svøpt.

Jeg gjerne palmegrene
vil om din krybbe strø,
for deg, for deg alene
jeg leve vil og dø.
Kom, la min sjel dog finne
sin rette gledes stund,
at du er født herinne
i hjertets dype grunn!

- Hvorfor

O, bli hos meg

O bli hos meg! Nå er det aftentid,
og mørket stiger – dvel, o Herre blid!
Når annen hjelp blir støv og duger ei,
du, hjelpeløses hjelper, bli hos meg!

Snart svinner livets dag, det kvelder fort
og jordens lys alt mørkner og går bort
forandringens skygge følger tro min vei –
o du som ei forandres, bli hos meg!

Hver time trenger jeg din sterke vakt,
kun for din nåde viker mørkets makt;
hvor skal jeg vandre trygt foruten deg?
I mulm og solskinn, Herre, bli hos meg!

Når du velsigner, ei av frykt jeg vet,
sår gjør ei ondt, gråt har ei bitterhet.
Hvor er vel dødens brodd? Jeg frykter ei.
Du som har seiret, Herre, bli hos meg!

O la meg se ditt kors i dødens gys,
driv mørket bort og vær meg livets lys!
Da skinner morgenrøden på min vei.
I liv og død, o Herre, bli hos meg!

Roper du til Herren

Roper du til Herren, vil han svare deg! (x2)
Han sender ut sine engler
for å verne om din vei

Salme 51

Herre! Vis meg nåde, Gud.
Rens meg fra min synd,
i din store barmhjertighet!
(x2)

Jeg har såret deg nok en gang,
la meg begynne på nytt igjen!
Led du meg, la ditt ord vise vei!

Herre, skap et rent hjerte i meg!
Kast meg ikke bort,
ta ikke fra meg din Hellige Ånd!
(x2)

Over din frelse vil jeg glede meg!
Jeg vil lære overtredere din vei,
syndere vil omvende seg!

Herre, åpne min munn i dag!
Jeg vil juble høyt,
jeg skal atter forkynne din pris!
(x2)

Du trenger ingen brente offer fra meg,
offer for deg er en sønderbrutt ånd!
Led du meg, med din sterke hånd, led du meg!

Salme 127

Om ikke Gud får bygge mitt hus,
gjør jeg jobben forgjeves
Om ikke Gud får vokte min by,
vil jeg våke forgjeves
Forgjeves går jeg sent til sengs,
forgjeves står jeg tidlig opp

Når det er Gud som bygger mitt hus,
gir Han brød mens jeg sover
Når det er Gud som vokter min by,
har jeg fred natten over
Han er med om jeg går sent til sengs,
han er med når jeg står tidlig opp

Seier, seier

Seier, seier, halleluja
når vi nå går veien fram, veien fram
(x2)

Hør jeg synger nye sanger
når jeg nå går veien fram, veien fram
(x2)

Og jeg elsker mine venner
når jeg nå går veien fram, veien fram
(x2)

Ja, jeg gleder meg i Herren
når jeg nå går veien fram, veien fram
(x2)

For jeg tynges ikke lenger
når jeg nå går veien fram, veien fram

Syng det ut

Jesus, det evige navn
Som ingen utslette kan
Et lys som skinner i verdens mørke
Alene det gav oss liv
Brøt lenker og satt oss fri
Til han vi vender vår takk tilbake

Syng det ut,
Syng det ut igjen
Jesus alene, er redningen
Ooh oh
Syng det ut,
Syng det ut min sjel
Pris navnet Jesus, i all evighet

En dag skal vi bøye kne
Ansikt til ansikt få se
Himmelens konge, i makt og ære
Og foran tronen med sang
Vil vi opphøye Hans navn
Navnet som var og alltid vil være

Syng det ut,
Syng det ut igjen
Jesus alene er redningen
Ooh oh
Syng det ut,
Syng det ut min sjel
Pris navnet Jesus, i all evighet

Løft navnet Jesus opp høyt over alle andre,
La det runge ut til alle verdens kanter
Og når alt tar slutt
Vil sangen fortsatt stige
I all evighet, skal navne Jesus lyde

Syng det ut,
Syng det ut igjen
Jesus alene er redningen
Ooh oh
Syng det ut,
Syng det ut min skjel
Pris navnet Jesus, i all evighet

Syng det ut,
Syng det ut igjen
Jesus alene er redningen
Ooh oh
Syng det ut,
Syng det ut min sjel
Pris navnet Jesus, i all evighet

Syng for Herren

når jeg skjønner meningen med veien jeg har gått,
ser jeg klart hvilken rikdom jeg har
i å kjenne min Gud og Far

Choir:

Syng for Herren, bøy deg for hans makt
Syng for Herren, når du ser hans prakt
Syng for Herren, syng for Herren!

Alle mine sanser har han flittig programmert
Alle mine krefter har han ivrig aktivert
Han har skrudd sammen hver enkelt del,
fikset skrammer og gjort meg hel

Choir:

Syng for Herren, bøy deg for hans makt
Syng for Herren, når du ser hans prakt
Syng for Herren, syng for Herren!

Når jeg forestiller meg det hjemmet vi skal få
Når jeg løfter blikket mot det landet vi skal nå
virker mye jeg ønsker meg her
som det skrapet det faktisk er

Thuma Mina

Thuma Mina, Thuma Mina
Thuma Mina, Somandla!

Herre send meg, Herre send meg
Herre send meg, send meg Gud!

Herre, lær meg...

Herre, led meg..

Uendelig

Alt har sitt opphav i deg
Alt i fra himmel og på jord
Du er over tid og alt som vi kan kjenne
Gud, jeg vet at min frihet kostet
Og at din nåde varer
Når uro preger alt så er du den som bærer

Uendelig, ubeskrivelig er din majestet
En konge som led for de skyldige
Vi ærer deg
Umålelig, ubegripelig mer enn vi kan se
Er den kjærighet du har kommet med
Et mysterium

Høyt over alle andre
Høyt over alt som du har skapt
Ingen over deg og ingen ved din side
Du har vist oss din gode vilje
Vist oss hva kjærigheten er
Ved deg har vi nå lært sannheten å kjenne

Du alene
Du alene
Du alene
Er verdig våre liv

Vær hos meg, Gud

På gode dager, og når motet stiger,
da kan du og jeg alene vinne kriger,
men når motgang gjør meg både redd og sky,
da trenger jeg å huske at du gjør meg ny!

A: Jeg synger:

Vær hos meg, Gud (x3)
vær hos meg, vær hos meg,
vær hos meg, Gud (x3)
vær hos meg, bare du er Gud!

Jeg vet, du sa at du vil ikke teste
noen over evne, og du vil mitt beste
med hver liten ting som i min hverdag skjer,
jeg vet du ser mitt liv, og hører når jeg ber!

A: Jeg synger:

Vær hos meg, Gud (x3)
vær hos meg, vær hos meg,
vær hos meg, Gud (x3)
vær hos meg, bare du er Gud!

Så hjelp meg, Far, å dele det du gav meg,
gjøre verden bedre ved å lære av deg,
om din store rikdom vil jeg bringe bud,
for du har jo lovet å gå med meg, Gud!

A: Jeg synger:

Vær hos meg, Gud (x3)
vær hos meg, vær hos meg,
vær hos meg, Gud (x3)
vær hos meg, bare du er Gud!

Vår Gud han er så fast en borg

Vår Gud han er så fast en borg,
han er vårt skjold og verje.
Han frir oss ut av nød og sorg og vet oss vel å berge.
Vår gamle fiende hård til strid imot oss står.
Stor makt og arge list han bruker mot oss visst.
På jord er ei hans like.

Vår egen makt er intet verd, snart fikk vi banesåret.
Men én går frem i denne ferd,
som Herren selv har kåret.
Vil du hans navn få visst? Han heter Jesus Krist,
den høvding for Guds hær, i ham kun frelse er.
Han marken skal beholde!

Om verden full av djevler var
som ville oss oppsluke,
vi frykter ei, vi med oss har
den som Guds sverd kan bruke.
Er verdens fyrste vred og vil oss støte ned,
han ingen ting formår, fordi alt dømt han går.
Et Guds ord kan ham binde.

Guds ord det skal de nok la stå,
og ingen takk de høster.
Gud selv vil mektig med oss gå,
hans gode Ånd oss trøster.
Og om vårt liv de tar, og røver alt vi har,
la fare hen, la gå! Mer kan de ikke få.
Guds rike vi beholder.

Vend ditt blikk mot fjellets topp

Choir:

Vend ditt blikk mot fjellets topp,
si meg, hva ser du da?
Et kors som reises opp,
på et sted kalt golgata

Det er stedet vi må gå,
skal vi virkelig forstå
Hvordan alle ting ble endret ved
han som døde på et tre

Choir:

Vend ditt blikk mot fjellets topp,
si meg, hva ser du da?
Et kors som reises opp,
på et sted kalt golgata

Se hans hender, spikret hardt,
ser du, himmelen blir svart?
Hør dem rope at han skyldig var,
hør, han kaller på sin Far

Choir:

Vend ditt blikk mot fjellets topp,
si meg, hva ser du da?
Et kors som reises opp,
på et sted kalt golgata

Der er kjærligheten sann,
Guds lys ble tent av han
som var villig til å ofre blod
så vi ser at Gud er god

Choir:

Vend ditt blikk mot fjellets topp,
si meg, hva ser du da?
Et kors som reises opp,
på et sted kalt golgata

Vi vil prise deg

Vi vil prise Deg vår Herre Gud, vi vil prise Herrens lam
Vi vil prise Deg i evighet, Navnet over alle navn
Herren troner i sin herlighet, vi vil bøye oss for Ham
Vi vil prise Hans rettferdighet, jubel stiger opp til Ham
Gud er Herre over alt på jord, alt er åpenbart for Ham
Gud er Herre i all evighet, Han som var og er og blir
Halleluja til vår konge stor. Halleluja til Hans lam
Halleluja til vår Herre Gud, Navnet over alle navn

Vil du bli med

|: Vil du bli med til deg land (x3)

hvor vi skal gå! : | |

Alt er kjærlihet i det land...

Alt er glede...

Alt er fred...

Vi har vår frelser...

Ydmyk av hjertet

Ta på mitt åk og lær av meg,
og jeg vil ta din byrde
ditt liv er ikke skjult for meg,
jeg er den gode hyrde

Refreng:

Ydmyk av hjertet
finner du meg (x2)
jeg gir deg hvile
på sannhetens vei (x2)

Ta opp ditt kors, følg i mitt spor
vend om, og la meg lede
Jeg viser vei med mine ord,
jeg gir deg håp og glede

For dere har jeg oppgitt alt,
jeg kaller dere venner
Forkynn mitt ord, vær jordens salt
hvor enn jeg dere sender

Ære i det høyeste

Jeg ventet og håpet på Herren
Han bøyde seg til meg og hørte mitt rop
Han satte meg opp på en klippe, der jeg står trygt

Ære i det høyeste, til vår Gud
Fred på jorden, ære til vår Gud!

Hvem kan forstå dine tanker
Du som er visdom, du som gir råd?
Salig er den som stoler på deg, alltid får han kraft

Ære i det høyeste, til vår Gud
Fred på jorden, ære til vår Gud!

Bro:

Du som gjort store ting, min Gud
og store er dine tanker
Ja, jeg vil tale om dem
for ingen er som deg!

Ære i det høyeste, til vår Gud
Fred på jorden, ære til vår Gud!
